## WISHED SHE COULD DIF

## And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this piace, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework. ousework.

The least amount of work fired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardul goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

Let In

"I understand he let you in on a get-rich quick scheme." "No. Do you suppose I would be angry at him for that?"

"Then what was it?" "He made me think it was a getrich-quick scheme, but it wasn't."
